

Dams and Flood Insurance What You Need to Know

We know that Flood Insurance is required for homes in FEMA Flood Zone A or V, but is flood insurance also required for properties in a Dam Inundation Zone?

According to FEMA, "Flood insurance is highly recommended but not required for those living in dam breach inundation zones."

If you have any questions about Dam Inundation Zones or a specific property, please give us a call at 800-814-2922. Our experts will be happy to speak with you.
